Self-Insurance Claim Adjudication Guidelines

The online publication of the Self-Insurance Claim Adjudication Guidelines is the current version of what was previously published in the Workers' Compensation Manual for Self-Insurance. The purpose of Recent Updates is to show the latest updates made to the materials. Please refer to How to Use the Guidelines in the [Introduction](#) for additional information.

Chapter	Revised Date	Change
Claim Validity	March 2012	Added information on interlocutory orders for additional investigation, more case law references, and date of manifestation for hearing loss claims.
Medical Treatment	March 2012	Clarifications made in Travel Expenses section.
Wages and Temporary Total Disability	November 2011	Updates made related to 2011 legislation and various clarifications made to other areas of the chapter.
Permanent Partial Disability	October 2011	Updates made related to 2011 legislation.
Medical Treatment	February 2011	Rewrite of 1994 version of Treatment Authorization chapter.
Wages and Temporary Total Disability	January 2011	Additional information added to Incarceration section. Added section on Terminating Time Loss Compensation.
