WORKING TOGETHER TO KEEP PEOPLE WORKING

Self Insurance Colloquium

Strategic Vision on Quality Care

Strategic Vision on Quality Care

L&I Will:

- Describe how L&I's medical management focus is on Quality Care – a different focus than typical insurance
- Describe the impact using this strategy has on our state fund
- Describe why disability reduction is key
- Provide an update on COHE results and
- Explain how L&I is expanding its strategy to include more best practices and use the evidence based collaborative care model

Group Health Will:

- Describe Group Health's experience with collaborative care, especially in the context of being a self-insured health care delivery organization and participating in COHE

MAF – Medical Aid Fund
AF – Accident Fund
PF – Pension Fund

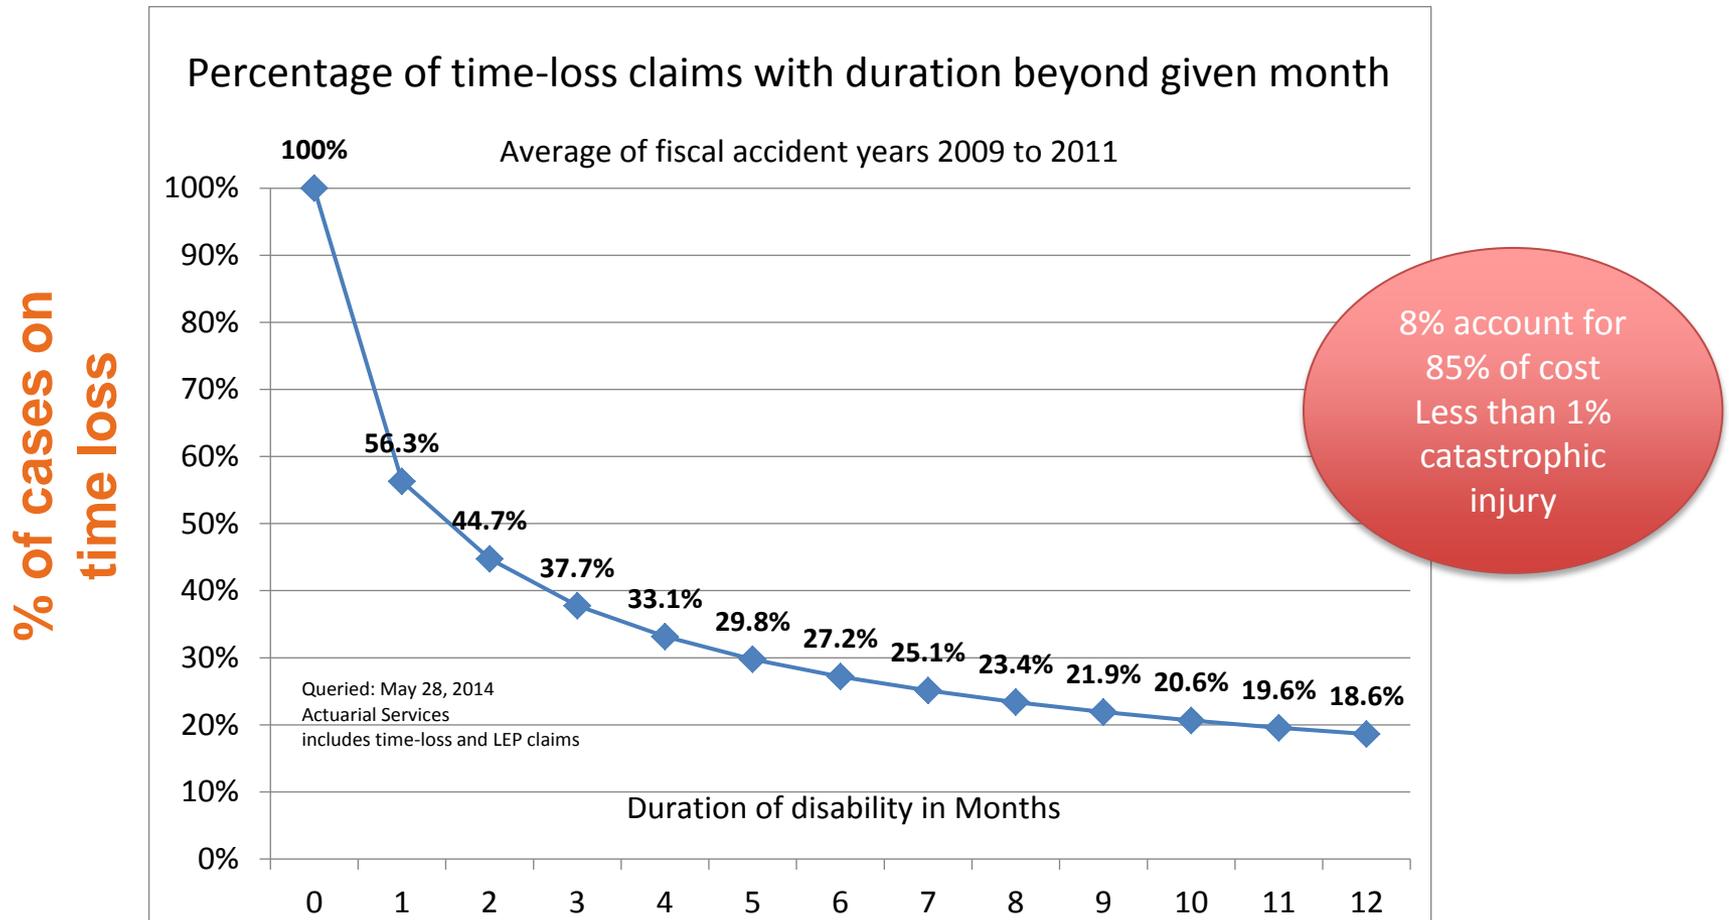

*Goal is under 4%

OCCUPATIONAL HEALTH **BEST PRACTICES**

WORKING TOGETHER TO KEEP PEOPLE WORKING

Disability Prevention is the Key Medical Management and Health Policy Issue

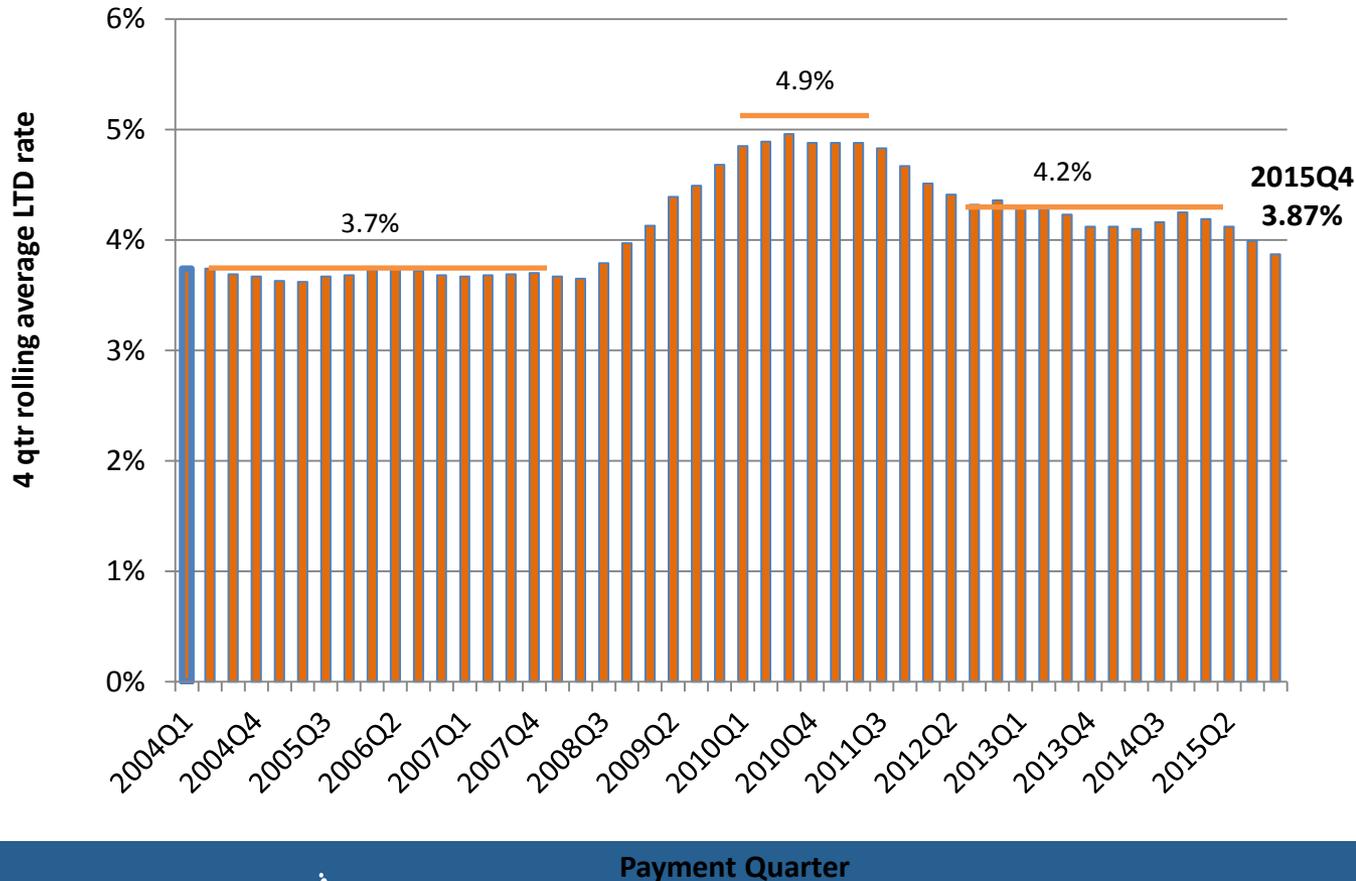

OCCUPATIONAL HEALTH **BEST PRACTICES**

WORKING TOGETHER TO KEEP PEOPLE WORKING

Our ultimate goal is to reduce the number of injured workers who experience long-term disability.

Long-term disability is the share of ultimate claims that receive a time-loss payment 12 months from injury.

The goal is to decrease this number.
