Definitions

**Bundled codes:** Are procedure codes that are not separately payable because they are accounted for and included in the payment of other procedure codes and services.

**Link:** For the legal definition of **Bundled codes,** see WAC 296-20-01002.

- **By report (BR):** A code listed in the fee schedule as BR doesn’t have an established fee because the service is too unusual, variable, or new. When billing for the code, the provider must provide a report that defines or describes the services or procedures. The insurer will determine an appropriate fee based on the report.

  **Link:** For the legal definition of **By report,** see WAC 296-20-01002.

- **Job analysis (JA):** A JA is a detailed evaluation of a specific job or type of job. A JA is used to help determine the types of jobs a worker could reasonably perform considering the worker’s skills, work experience and physical limitations or to determine the worker’s ability to perform a specific job. The job evaluated in the JA may or may not be offered to the worker and it may or may not be linked to a specific employer.

- **Job description:** A job description is an employer’s brief evaluation of a specific job or type of job that the employer intends to offer a worker.

- **Job offer:** A job offer is based on an employer’s desire to offer a specific job to a worker. The job offer may be based on a job description or a job analysis.

  **Link:** For more information about **Job offers,** see RCW 51.32.090(4).

**Payment policy: Copies of medical records**

- **Who must perform these services to qualify for payment**

  Only providers who have provided healthcare services to the worker may bill HCPCS codes S9981 or S9982.
Services that can be billed

If the insurer requests records from a healthcare provider, the insurer will pay for the requested services. The insurer will pay for requested copies of medical records, regardless of whether the provider is currently treating the worker or has treated the worker at some time in the past, including prior to the injury.

Providers may bill for CD/DVDs of medical records requested by the insurer using HCPCS code S9981.

Payment will be made per complete record requested by the insurer.

Providers may bill for paper copies of medical records requested by the insurer using HCPCS code S9982.

Payment will be made per copied page.

Payment limits

Payment for S9981 and S9982 includes all costs, including postage.

S9981 and S9982 aren’t payable for services required to support billing or to commercial copy centers or printers who reproduce records for providers.

Payment policy: Review of job offers and job analyses

(See definitions of Job analysis (JA), Job description and Job offer in Definitions at the beginning of this chapter.)

Prior authorization

Prior authorization is required for review of JAs and job descriptions if not requested by the insurer, employer or vocational provider.

Who must perform these services to qualify for payment

Job offers

Attending providers must review the physical requirements documented in the job description or job analysis of any job offer submitted by the employer of record and determine whether the worker can perform that job.

Note: Whenever the employer asks, the attending provider should send the employer an estimate of physical capacities or physical restrictions and review each job description or job analysis submitted by the employer to determine whether the worker can perform that job. A copy of the estimate of physical capacities or physical restrictions and each job description or job analysis reviewed must be sent to the insurer.

JAs and job descriptions

Attending providers, Independent Medical Examiners and consulting physicians will be paid for review of job descriptions or JAs.

Notes: A job description/JA review may be performed at the request of the employer, the insurer, Vocational Rehabilitation Counselor (VRC), or Third Party Administrator (TPA). This service is payable in addition to other services performed on the same day. The provider must send a copy of each job description or job analysis reviewed to the insurer.

Reviews requested by other persons (for example, attorneys or workers) won’t be paid.
