Attending Provider Resource Center

L&I's medical director welcomes you to our provider network

What attending providers need to know
Each topic in the resource center is vital to an attending provider’s understanding of Washington’s workers’ compensation system.

If you find this information lacking or especially helpful, please share your comments at ProviderFeedback@Lni.wa.gov.

Continuing Medical Education Credits
Continuing Medical Education Credits will be available for this resource in May 2018.
