RCW 51.36.010 – (1) “The department, in collaboration with the advisory group, shall also establish additional best practice standards for providers to qualify for a second tier within the network, based on demonstrated use of occupational health best practices. This second tier is separate from and in addition to the centers for occupational health and education established under subsection (5) of this section. AND (5)(b) “To expand evidence-based occupational health best practices, the department shall establish additional centers for occupational health and education, with the goal of extending access to at least fifty percent of injured and ill workers by December 2013 and to all injured workers by December 2015. The department shall also develop additional best practices and incentives that span the entire period of recovery, not only the first twelve weeks.”

COHEs began in 2002.

Ortho\Neuro began in 2006.
