You will receive two envelopes

Your reimbursement check and letter of explanation will be sent in two separate envelopes.

As part of a statewide effort to consolidate systems and improve efficiency, payment checks will be mailed from the Washington State Department of Enterprise Services and L&I will send the legal order. Your check and letter should arrive within five business days of each other.

Note that checks are cut based on daily payments. So you will receive one check for multiple claims paid on the same day, along with an itemized remittance letter explaining the payment.

If you have any questions about these processes, you can contact the Stay at Work Program at 360-902-4411. L&I strives to make it easier for you to do business with Washington's Stay at Work Program.
