Must be able to perform the work of the trade. Applicant must provide evidence of physical ability as evidenced by a pre-employment examination by a qualified doctor of medicine, including a negative drug screen test at the applicant's expense.

Other: N/A Must speak, write, and understand the English language for safety and occupation technical production purposes.

III. CONDUCT OF PROGRAM UNDER WASHINGTON EQUAL EMPLOYMENT OPPORTUNITY PLAN:

Selection Procedures:

A. Selection Procedures:

5. Prior to filing an application, all proof of minimum qualifications regarding a proof of age via current valid driver license, or birth certificate, evidence of physical ability as evidenced by a pre-employment examination by a qualified doctor of medicine, and a negative drug screen test, in per Section II, {Minimum Qualifications}, must be furnished by the applicant and attached to the completed application.

11. Ranked qualified applicants must actively seek employment in the Heat and Frost trade to remain on the Eligibility List. This can be accomplished by maintaining the ranked qualified applicant's name on Local 82 ~~asbestos workers~~ Out of Work List when not employed in a trade related job. The ranked qualified applicant shall call the Local 82 Business Agent on a monthly basis to maintain their name on the Eligibility List. The Out of Work List for Local # 82 is located at 3919 East Main, Spokane, Washington, 99202.

15. The above requirements may be waived by the Committee if an applicant is deemed to be a benefit to the industry, or is a graduate of Job Corp, or Committee approved public school or vocational program, a transfer in good standing from an approved SAC/ATELS apprenticeship program, or a registered Native American who is/or will be working on a TERO project

5. Exceptions:

a. An employee of an employer not qualifying as a journey-level worker becomes a training agent, he/she shall be evaluated by the apprenticeship program using constant standard nondiscriminatory means and registered at the appropriate period of apprenticeship based on previous work experience and related training.
