

REQUEST FOR REVISION OF STANDARDS

TO: Washington State Apprenticeship & Training Council

From: Eastern Washington - Northeast Oregon Pipe Trades Apprenticeship Committee, #86
(NAME OF PROGRAM STANDARDS)

(REVISE III.A.1.a to read as follows)

III. CONDUCT OF PROGRAM UNDER WASHINGTON EQUAL EMPLOYMENT OPPORTUNITY PLAN:

A. Selection Procedures:

1. General Selection Procedures:

- a. Applications will be available to anyone per Section II. Each applicant shall be given Pipe Trades Apprenticeship Form #1 to complete and return within 60 days of issue date.

IV. TERM OF APPRENTICESHIP:

DELETE:

The JATC may accelerate, by an evaluation process, the advancement of apprentices who demonstrate unusual abilities and mastery of the occupation to the level for which they are qualified.

ADD NEW:

- D. The JATC may grant advanced standing or credit for demonstrated competency, acquired experience, training, education, or skills in or related to the occupation and:

- 1. The JATC may give advanced credit or grant hours to apprentices only up to the hours that have been approved by the appropriate licensing entity prior to the sponsor granting credit to the registered apprentice. The JATC is not required to use all hours granted by the regulatory section of the department.

The JATC will ensure that a fair and equitable process is applied to apprentices seeking advanced standing or credit.

REQUEST FOR REVISION OF STANDARDS

L&I apprenticeship coordinator

TO: Washington State Apprenticeship & Training Council

From: Eastern Washington - Northeast Oregon Pipe Trades Apprenticeship Committee, #86
(NAME OF PROGRAM STANDARDS)

X. ADMINISTRATIVE/DISCIPLINARY PROCEDURES:

(Revise Sections X.A.17-21 as noted below)

A. General Procedures

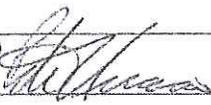

~~17. In order to graduate from this program, every plumber apprentice must successfully pass the Washington State Plumbers exam, the National Inspection Testing Certification (NITC) Plumber Star and Medical Gas Exams. Every steamfitter apprentice must successfully pass the Oregon State Steamfitter Class Five Exam and the National Inspection Testing Certification (NITC) Steamfitter Star Exam. Every HVAC/R apprentice must successfully pass the National Inspection Testing Certification (NITC) HVAC-R Exam.~~

1817. Any apprentice being terminated from employment, for cause, will be required to appear before the Joint Apprenticeship Training Committee (JATC) prior to being dispatched to another job.

1918. The use of cellular phones, pagers or any other electronic device is prohibited during class time.

2019. It shall be the apprentice's responsibility to return to the JATC office a completed monthly job evaluation by the tenth (10th) of each month. For each month an apprentice fails to return a completed monthly progress report, the date of their next wage advancement will be extended by one month. Apprentices that fail to return more than three monthly progress reports in any one year will be called before the committee for disciplinary action.

2120. Local 598 believes in providing skilled, safety minded quality oriented workforce, therefore, the following drug and alcohol testing policy shall be implemented to ensure such standards. This policy will be definitive, and adhere to the following criteria and standards.
