## INTRODUCTION

This document is an apprenticeship program standard. Apprenticeship program standards govern how an apprenticeship works and have specific requirements. This document will explain the requirements.

The director of the Department of Labor and Industries (L&I) appoints the Washington State Apprenticeship and Training Council (WSATC) to regulate apprenticeship program standards. The director appoints and deputizes an assistant director to be known as the supervisor of apprenticeship who oversees administrative functions through the apprenticeship section at the department.

The WSATC is the sole regulatory body for apprenticeship standards in Washington. It approves, administers, and enforces apprenticeship standards, and recognizes apprentices when either registered with L&I's apprenticeship section, or under the terms and conditions of a reciprocal agreement. WSATC also must approve any changes to apprenticeship program standards.

Apprenticeship programs have sponsors. A sponsor operates an apprenticeship program and declares their purpose and policy herein to establish an organized system of registered apprenticeship education and training. The sponsor recognizes WSATC authority to regulate and will submit a revision request to the WSATC when making changes to an apprenticeship program standard.

Apprenticeships are governed by federal law (29 U.S.C 50), federal regulations (29 CFR Part 29 & 30), state law (49.04 RCW) and administrative rules (WAC 296-05). These standards conform to all of the above and are read together with federal and state laws and rules

Standards are changed with WSATC approval. Changes are binding on apprentices, sponsors, training agents, and anyone else working under an agreement governed by the standards. Sponsors may have to maintain additional information as supplemental to these standards. When a standard is changed, sponsors are required to notify apprentices and training agents. If changes in federal or state law make any part of these standards illegal, the remaining parts are still valid and remain in force. Only the part made illegal by changes in law is invalid. L&I and the WSATC may cooperate to make corrections to the standards if necessary to administer the standards.

Sections of these standards identified as bold "insert text" fields are specific to the individual program standards and may be modified by a sponsor submitting a revised standard for approval by the WSATC. All other sections of these standards are boilerplate and may only be modified by the WSATC. See WAC 296-05-003 for the definitions necessary for use with these standards.

Sponsor Introductory Statement (Required):

**The following Standards for the development of Facilities Custodial Services Technician and Grounds Maintenance Specialist apprentices have been prepared by Local 286,**

**WESTERN WASHINGTON OPERATING ENGINEERS FACILITIES CUSTODIAL  
SERVICES APPRENTICESHIP COMMITTEE**

**International Union of Operating Engineers and Industry representatives, assisted by the Apprenticeship Division, Department of Labor and Industries. When approved and registered with the Washington State Apprenticeship and Training Council, these Standards will govern the training of apprentices in the industry.**

**I. GEOGRAPHIC AREA COVERED:**

The sponsor must train inside the area covered by these standards. If the sponsor wants to train outside the area covered by these standards, the sponsor must enter a portability agreement with a sponsor outside the area, and provide evidence of such an agreement for compliance purposes. Portability agreements permit training agents to use apprentices outside the area covered by the standards. Portability agreements are governed by WAC 296-05-303(4)(g).

**The area covered by these Standards shall be all of Western Washington.**

**II. MINIMUM QUALIFICATIONS:**

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner [WAC 296-05-316(17)].

Sponsors with five (5) or more apprentices must adopt an Equal Employment Opportunity (EEO) Plan and Selection Procedure (Part D of chapter 296-05 WAC and 29 CFR Part 30).

The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, creed, national origin, age, sexual orientation, marital status, veteran or military status, the presence of a disability or any other characteristic protected by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Washington State Apprenticeship and Training Council.

**A. Selection Procedures:**

- 1. The International Union of Operating Engineers Local 286 and the Western Washington Operating Engineers Facilities Custodial Service Apprenticeship Committee are not in any way serving as a referral agency and persons desiring apprenticeship training under the Western Washington Operating Engineers Facilities Custodial Services Apprenticeship Committee shall make application to an employer approved by the Apprenticeship Committee and on becoming employed, appear before the Apprenticeship Committee to be interviewed. At the time of the interview, the applicant shall be informed of the obligation to abide by the Standards established for the trade. Upon acceptance of the applicant, the Apprenticeship Committee shall make an evaluation based on the employer's recommendation and place him/her in the proper work experience and wage progression period and register the applicant with the Registration Agency.**
- 2. The applicant will sign the "Record of Apprenticeship Applicants" form and will be given an "Application for Apprenticeship" and will return same to the Apprenticeship Coordinator.**
- 3. The applicant will be instructed to request transcripts of all school records, which will be forwarded to the Apprenticeship Committee Coordinator.**
- 4. Each applicant will be instructed to attend a regular meeting of the Apprenticeship Committee and/or the Apprenticeship Committee Coordinator in which the applicant is to be registered. The purpose of the applicant's**

**WESTERN WASHINGTON OPERATING ENGINEERS FACILITIES CUSTODIAL  
SERVICES APPRENTICESHIP COMMITTEE**

attendance is to explain the apprenticeship program and the responsibilities the apprentice must fulfill during the term of apprenticeship.

5. **All employers hiring apprentices must sign a compliance form agreeing to be bound by the Affirmative Action Program contained in these Standards and as approved by the Washington State Apprenticeship and Training Council.**

B. Equal Employment Opportunity Plan:

1. **Participate in any workshops conducted by employment service agencies for the purpose of familiarizing school, employment service and other appropriate personnel with the apprenticeship system and current opportunities therein.**
2. **Cooperation with local school boards and vocational education systems to develop programs for preparing students to meet the Standards and criteria required to qualify for entry into apprenticeship programs.**
3. **To encourage the establishment and utilization of programs and pre-apprenticeship, preparatory trade training, or others designed to afford related work experience or to prepare candidates for apprenticeship, a sponsor shall make appropriate provision in its affirmative action plan to assure that those who complete such programs are afforded full and equal opportunity for admission into the apprenticeship program.**
4. **Granting advance standing or credit on the basis of previously acquired experience, training, skills, or aptitude for all applicants equally.**

C. Discrimination Complaints:

Any apprentice or applicant for apprenticeship who believes they have been discriminated against may file a complaint with the supervisor of apprenticeship (WAC 296-05-443).

**IV. TERM OF APPRENTICESHIP:**

The term of apprenticeship for an individual apprentice may be measured through the completion of the industry standard for on-the-job learning (at least two thousand hours) (time-based approach), the attainment of competency (competency-based approach), or a blend of the time-based and competency-based approaches (hybrid approach) [WAC 296-05-315].

**The term of apprenticeship shall be two (2) years (4000 hours) of reasonably continuous employment divided into four (4) pay periods of six (6) months duration, including the probationary period.**

**WESTERN WASHINGTON OPERATING ENGINEERS FACILITIES CUSTODIAL  
SERVICES APPRENTICESHIP COMMITTEE**

**V. INITIAL PROBATIONARY PERIOD:**

An initial probationary period applies to all apprentices, unless the apprentice has transferred from another program. During an initial probationary period, an apprentice can be discharged without appeal rights. An initial probationary period is stated in hours or competency steps of employment. The initial probationary period is not reduced by advanced credit or standing. During an initial probationary period, apprentices receive full credit for hours and competency steps toward completion of their apprenticeship. Transferred apprentices are not subject to additional initial probationary periods [WAC 296-05-003].

The initial probationary period is [WAC 296-05-316(22)]:

- A. the period following the apprentice's registration into the program. An initial probationary period must not be longer than twenty percent of the term of the entire apprenticeship, or longer than a year from the date the apprenticeship is registered. The WSATC can grant exemptions for longer initial probationary periods if required by law.
- B. the period in which the WSATC or the supervisor of apprenticeship may terminate an apprenticeship agreement at the written request by any affected party. The sponsor or the apprentice may terminate the agreement without a hearing or stated cause. An appeal process is not available to apprentices in their initial probationary period.

**All apprentices employed in accordance with these Standards shall be subject to a probationary period not exceeding the first 800 hours of employment.**

**VI. RATIO OF APPRENTICES TO JOURNEY LEVEL WORKERS**

Supervision is the necessary education, assistance, and control provided by a journey-level employee on the same job site at least seventy-five percent of each working day, unless otherwise approved by the WSATC. Sponsors ensure apprentices are supervised by competent, qualified journey-level employees. Journey level-employees are responsible for the work apprentices perform, in order to promote the safety, health, and education of the apprentice.

- A. The journey-level employee must be of the same apprenticeable occupation as the apprentice they are supervising unless otherwise allowed by the Revised Code of

**WESTERN WASHINGTON OPERATING ENGINEERS FACILITIES CUSTODIAL  
SERVICES APPRENTICESHIP COMMITTEE**

Washington (RCW) or the Washington Administrative Code (WAC) and approved by the WSATC.

- B. The numeric ratio of apprentices to journey-level employees may not exceed one apprentice per journey-level worker [WAC 296-05-316(5)].
- C. Apprentices will work the same hours as journey-level workers, except when such hours may interfere with related/supplemental instruction.
- D. Any variance to the rules and/or policies stated in this section must be approved by the WSATC.
- E. The ratio must be described in a specific and clear manner, as to the application in terms of job site, work group, department or plant:

**One (1) apprentice per every one (1) journey-level workers employed in a specific facility or work unit.**

**VII. APPRENTICE WAGES AND WAGE PROGRESSION:**

- A. Apprentices must be paid at least Washington’s minimum wage, unless a local ordinance or a collective bargaining agreement require a higher wage. Apprentices must be paid according to a progressively increasing wage scale. The wage scale for apprentices is based on the specified journey-level wage for their occupation. Wage increases are based on hours worked or competencies attained. The sponsor determines wage increases. Sponsors must submit the journey-level wage at least annually or whenever changed to the department as an addendum to these standards. Journey-level wage reports may be submitted on a form provided by the department. Apprentices and others should contact the sponsor or the Department for the most recent Journey-level wage rate.
- B. Sponsors can grant advanced standing, and grant a wage increase, when apprentices demonstrate abilities and mastery of their occupation. When advanced standing is granted, the sponsor notifies the employer/training agent of the wage increase the apprenticeship program standard requires.
- C. Wage progression schedule:

Step	Hour Range or competency step	Percentage of journey-level wage rate*
<b>1</b>	<b>0000 - 1000 hours</b>	<b>70%</b>
<b>2</b>	<b>1001 - 2000 hours</b>	<b>75%</b>
<b>3</b>	<b>2001 - 3000 hours</b>	<b>85%</b>
<b>4</b>	<b>3001 - 4000 hours</b>	<b>95%</b>

**VIII. WORK PROCESSES:**

RSI must be provided in safe and healthy conditions as required by the Washington Industrial Safety and Health Act and applicable federal and state regulations.

Hours spent in RSI are reported to L&I each quarter. Reports must show which hours are unpaid and supervised by a competent instructor versus all other hours (paid and/or unsupervised) for industrial insurance purposes.

For purposes of coverage under the Industrial Insurance Act, the WSATC is an employer and the apprentice is an employee when an unpaid, supervised apprentice is injured while under the direction of a competent instructor and participating in RSI activities.

If apprentices do not attend required RSI, they may be subject to disciplinary action by the sponsor.
