APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be Benton, Clackamas, Clatsop,

Columbia, Deschutes, Lane, Linn, Marion, Multnomah, Polk, Tillamook, Union, Washington and

Yamhill counties in the State of Oregon.

These standards shall also cover Cowlitz, Wahkiakum, Clark, Skamania, Klickitat and Pacific counties in the State of Washington under the terms and conditions of the reciprocal agreement.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

EXCEPTIONS:

Applicants entering through an exception must complete or have completed the Trade Orientation class/OSHA training (or equivalent) within the previous 12 months prior to indenture.

1. CURRENT APPRENTICE (Transfer)

Experienced apprentices may request transfer from a registered carpenter trades apprenticeship program at any time provided they meet the following:

The selected candidates for apprenticeship must meet the minimum qualifications for entry in the trade at the time they are brought into the program and possess a current OSHA 10 card (or equivalent). Once the initial selection of apprentices has been made, the employer is thereafter restricted to selection from qualified applicants in the Ready for Employment List.

A training agent, able to document the existence of a valid contractual requirement for specific apprentices, based upon identifiable characteristics, may request that the sponsor pierce the Ready for Employment list to reach the top qualified applicant(s) who manifests those specific characteristics. The sponsor will record on the registration agreement, and in its minutes, the use of this exception and retain a copy of applicable bid specifications.

12. VETERAN'S ENTRY

An applicant will meet Minimum Qualifications for these standards and eligibility requirements set by the Housing Authority of Portland.

An applicant registered under this exception will be dispatched directly, and only, to the training agent / employer who requests the direct entry.

B. EQUAL EMPLOYMENT OPPORTUNITY PLAN:
