## WESTERN MASONRY APPRENTICESHIP COMMITTEE

### INTRODUCTION

This document is an apprenticeship program standard. Apprenticeship program standards govern how an apprenticeship works and have specific requirements. This document will explain the requirements.

The director of the Department of Labor and Industries (L&I) appoints the Washington State Apprenticeship and Training Council (WSATC) to regulate apprenticeship program standards. The director appoints and deputizes an assistant director to be known as the supervisor of apprenticeship who oversees administrative functions through the apprenticeship section at the department.

The WSATC is the sole regulatory body for apprenticeship standards in Washington. It approves, administers, and enforces apprenticeship standards, and recognizes apprentices when either registered with L&I's apprenticeship section, or under the terms and conditions of a reciprocal agreement. WSATC also must approve any changes to apprenticeship program standards.

Apprenticeship programs have sponsors. A sponsor operates an apprenticeship program and declares their purpose and policy herein to establish an organized system of registered apprenticeship education and training. The sponsor recognizes WSATC authority to regulate and will submit a revision request to the WSATC when making changes to an apprenticeship program standard.

Apprenticeships are governed by federal law (29 U.S.C 50), federal regulations (29 CFR Part 29 & 30), state law (49.04 RCW) and administrative rules (WAC 296-05). These standards conform to all of the above and are read together with federal and state laws and rules

Standards are changed with WSATC approval. Changes are binding on apprentices, sponsors, training agents, and anyone else working under an agreement governed by the standards. Sponsors may have to maintain additional information as supplemental to these standards. When a standard is changed, sponsors are required to notify apprentices and training agents. If changes in federal or state law make any part of these standards illegal, the remaining parts are still valid and remain in force. Only the part made illegal by changes in law is invalid. L&I and the WSATC may cooperate to make corrections to the standards if necessary to administer the standards.

Sections of these standards identified as bold “**insert text**” fields are specific to the individual program standards and may be modified by a sponsor submitting a revised standard for approval by the WSATC. All other sections of these standards are boilerplate and may only be modified by the WSATC. See WAC 296-05-003 for the definitions necessary for use with these standards.

Sponsor Introductory Statement (Required):

## WESTERN MASONRY APPRENTICESHIP COMMITTEE

The following standards for the development of masonry apprentices have been prepared by the Apprenticeship Committee composed of representatives of Bricklayers and representatives of Western Masonry, Inc.

### I. GEOGRAPHIC AREA COVERED:

The sponsor must train inside the area covered by these standards. If the sponsor wants to train outside the area covered by these standards, the sponsor must enter a portability agreement with a sponsor outside the area, and provide evidence of such an agreement for compliance purposes. Portability agreements permit training agents to use apprentices outside the area covered by the standards. Portability agreements are governed by WAC 296-05-303(4)(g).

**The area covered by these Standards shall be the following counties in Washington: Clallam, Grays Harbor, Island, Jefferson, King, Kitsap, Lewis, Mason, Pacific, Pierce, San Juan, Snohomish, Skagit, Thurston, and Whatcom.**

### II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner [WAC 296-05-316(17)].

Age: **Minimum 18 years.**

Education: **Applicant shall be a High School graduate or have a GED equivalent.**

Physical: **Applicant must be physically fit to perform the work of the trade. Pass drug test.**

### III. CONDUCT OF PROGRAM UNDER WASHINGTON EQUAL EMPLOYMENT OPPORTUNITY PLAN:

Sponsors with five (5) or more apprentices must adopt an Equal Employment Opportunity (EEO) Plan and Selection Procedure (Part D of chapter 296-05 WAC and 29 CFR Part 30).

## WESTERN MASONRY APPRENTICESHIP COMMITTEE

The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, creed, national origin, age, sexual orientation, marital status, veteran or military status, the presence of a disability or any other characteristic protected by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Washington State Apprenticeship and Training Council.

### A. Selection Procedures:

- 1. The Western Masonry Apprenticeship Committee is not in any way serving as a referral agency and persons desiring apprenticeship under the Western Masonry Apprenticeship Committee shall make application to a Training Agent (employer) approved by the Apprenticeship Committee. A listing of Apprenticeship Committee approved Training Agent's can be obtained by writing to Western Masonry Apprenticeship Committee at 5806 226th Place SW, Mountlake Terrace, Washington 98043.**
- 2. Upon becoming employed, and if applicant meets all the above minimum qualifications (Section II, Minimum Qualifications) and has completed the application in accordance with the steps outlined below, shall be notified to appear before the Apprenticeship Committee for an interview and counseling.**
- 3. Applicants will be considered qualified and notified to appear for an interview when applicant completes the following:**
  - a. Applicants are to obtain an apprenticeship application (Form #F100-033-000) from an approved Training Agent (employer) of the apprenticeship committee.**
  - b. Application and documentation of Minimum Qualification requirements stated in Section II (Minimum Qualifications) shall be delivered to the Secretary of the Apprenticeship Committee at 5806 226th Place SW, Mountlake Terrace, Washington 98043**
- 4. Upon acceptance of an applicant, the Apprenticeship Committee shall make an evaluation as to the applicant's ability, and with the employing Training Agent advice, place applicant in the program in the proper wage progression period, and register the applicant as a registered apprentice with the Department of Labor and Industries. At the time of interview, the applicant shall be informed of their obligations to abide by the Standards of Apprenticeship established for the trade.**

## WESTERN MASONRY APPRENTICESHIP COMMITTEE

comply with the State of Washington Equal Employment Opportunity Plan. All Apprenticeship Committee approved Training Agent Agreement forms are to be forwarded by the Apprenticeship Committee to the Department of Labor and Industries for the purpose of registration.

### B. Equal Employment Opportunity Plan:

1. **Engage in any other such action to insure that recruitment, selection, employment, and training of apprentices shall be without discrimination because of race, color religion, national origin, or sex.**
2. **Develop monitoring procedures to ensure that Training Agents are granting equal employment opportunities to applicants for apprenticeship. This may include reporting systems, on-site reviews, or briefing sessions.**
3. **Granting advance standing or credit for previously acquired experience, training, skills or aptitude, to all applicants equally.**

### C. Discrimination Complaints:

Any apprentice or applicant for apprenticeship who believes they have been discriminated against may file a complaint with the supervisor of apprenticeship (WAC 296-05-443).

## **IV. TERM OF APPRENTICESHIP:**

The term of apprenticeship for an individual apprentice may be measured through the completion of the industry standard for on-the-job learning (at least two thousand hours) (time-based approach), the attainment of competency (competency-based approach), or a blend of the time-based and competency-based approaches (hybrid approach) [WAC 296-05-315].

**The bricklayer term of apprenticeship shall be 6000 hours of reasonably continuous employment.**

## **V. INITIAL PROBATIONARY PERIOD:**

An initial probationary period applies to all apprentices, unless the apprentice has transferred from another program. During an initial probationary period, an apprentice can be discharged without appeal rights. An initial probationary period is stated in hours or competency steps of employment. The initial probationary period is not reduced by advanced credit or standing. During an initial probationary period, apprentices receive full credit for hours and competency steps toward completion of their apprenticeship. Transferred apprentices are not subject to additional initial probationary periods [WAC 296-05-003].

## WESTERN MASONRY APPRENTICESHIP COMMITTEE

The initial probationary period is [WAC 296-05-316(22)]:

- A. the period following the apprentice's registration into the program. An initial probationary period must not be longer than twenty percent of the term of the entire apprenticeship, or longer than a year from the date the apprenticeship is registered. The WSATC can grant exemptions for longer initial probationary periods if required by law.
- B. the period in which the WSATC or the supervisor of apprenticeship may terminate an apprenticeship agreement at the written request by any affected party. The sponsor or the apprentice may terminate the agreement without a hearing or stated cause. An appeal process is not available to apprentices in their initial probationary period.

**All apprentices employed in accordance with these Standards shall be subject to a probationary period not exceeding the first 1200 hours of employment.**

### VI. RATIO OF APPRENTICES TO JOURNEY LEVEL WORKERS

Supervision is the necessary education, assistance, and control provided by a journey-level employee on the same job site at least seventy-five percent of each working day, unless otherwise approved by the WSATC. Sponsors ensure apprentices are supervised by competent, qualified journey-level employees. Journey level-employees are responsible for the work apprentices perform, in order to promote the safety, health, and education of the apprentice.

- A. The journey-level employee must be of the same apprenticeable occupation as the apprentice they are supervising unless otherwise allowed by the Revised Code of Washington (RCW) or the Washington Administrative Code (WAC) and approved by the WSATC.
- B. The numeric ratio of apprentices to journey-level employees may not exceed one apprentice per journey-level worker [WAC 296-05-316(5)].
- C. Apprentices will work the same hours as journey-level workers, except when such hours may interfere with related/supplemental instruction.
- D. Any variance to the rules and/or policies stated in this section must be approved by the WSATC.
- E. The ratio must be described in a specific and clear manner, as to the application in terms of job site, work group, department or plant:

**Training Agents who employ one (1) journey-level worker may have one (1) apprentice to one (1) journey-level worker per job site.**

**WESTERN MASONRY APPRENTICESHIP COMMITTEE**

**VII. APPRENTICE WAGES AND WAGE PROGRESSION:**

- A. Apprentices must be paid at least Washington’s minimum wage, unless a local ordinance or a collective bargaining agreement require a higher wage. Apprentices must be paid according to a progressively increasing wage scale. The wage scale for apprentices is based on the specified journey-level wage for their occupation. Wage increases are based on hours worked or competencies attained. The sponsor determines wage increases. Sponsors must submit the journey-level wage at least annually or whenever changed to the department as an addendum to these standards. Journey-level wage reports may be submitted on a form provided by the department. Apprentices and others should contact the sponsor or the Department for the most recent Journey-level wage rate.
  
- B. Sponsors can grant advanced standing, and grant a wage increase, when apprentices demonstrate abilities and mastery of their occupation. When advanced standing is granted, the sponsor notifies the employer/training agent of the wage increase the apprenticeship program standard requires.

C. **Bricklayer**

**The journey-level worker rate will be the average journey-level worker rate for all of the employers participating in the program. Once each year, all participating employers will be surveyed for the average wage rate of their journey-level workers performing non-prevailing wage work. These average wage rates will then be averaged to determine the minimum journey-level worker rate for the program. The survey forms will be signed by the company owner/officer and will become official records of the Committee. Employers reserve the right to pay apprentices more than the wage determined by this average wage, but they may not pay less.**

Step	Number of hours/months	Percentage of journey-level rate

**WESTERN MASONRY APPRENTICESHIP COMMITTEE**

which every apprentice shall follow as closely as conditions will permit. The following work process descriptions pertain to the occupation being defined.

Hours spent in RSI are reported to L&I each quarter. Reports must show which hours are unpaid and supervised by a competent instructor versus all other hours (paid and/or unsupervised) for industrial insurance purposes.
