Dear Secretary Fuller:

In accordance with RCW 19.28.051, please accept this formal petition on behalf of the Washington State Electrical Board from the Washington State HVAC/R Association for the establishment of a new specialty electrician, a new specialty electrical contractor administrator, and a new specialty electrical contractor in order to do all necessary electrical work to install, service, repair or replace all heating, ventilation, air conditioning and refrigeration equipment and systems commonly done in the heating, ventilation, air conditioning and refrigeration industry.

Please advise us of the formal process used by the Washington State Electrical Board in order to act on this petition.

If this petition is to be in some other form or submitted in some other way, please advise us at your earliest convenience.

Thank you,

Karen Peacey
President
