Re: Washington Administrative Code petition request dated March 30, 2007 - **Correction**

Dear Ms. Peacey,

I spoke with Gary Smith, Independent Business Administration today and he informed me of an error in the petition response letter that I sent you on May 22, 2007. He also informed me that you had responded to my letter seeking clarification.

First, to date I have not received a letter from your organization. Second, I apologize for the error in the letter as the actual location for the meeting of the Policy Advisory Committee will be on June 21, 2007, beginning at 9:30 AM, at the Thurston County Fairgrounds, 3054 Carpenter Road, Lacey, Washington. All of the other information in the letter is still accurate.

Once again, I'm sorry for any confusion or trouble that this mistake may have caused and please feel free to contact me if you should have any additional questions at (360) 902-6805.

Sincerely,

Josh Swanson
Legislative Liaison and Rules Coordinator
