Weatherization Projects – Federal and Washington State Prevailing Wage Rates

NOTICE - The state rates included on this table are those most typically encountered by contractors performing weatherization type work. Please consult the state wage rate web site for rates that would apply to other tasks such work may entail. For instance, if your project involves tasks performed by a roofer, that rate is not on the attached weatherization table, so you would need to consult the following link for the applicable roofer state wage rate. The complete state wage rate table is located at:
