_____, doing business as _____,
 as Principal, and _____, a corporation organized and
 existing under the laws of the State of _____ and authorized to transact surety
 business in the State of Washington, as Surety, by this bond bind ourselves and our heirs, executors, administrators, successors, and
 assigns, jointly and severally, to pay the State of Washington _____ dollars lawful
 money of the United States of America.

The Principal has applied for a Certificate of Registration, from the Contractor's Registration Section of the Washington State
 Department of Labor and Industries, to carry on the business of a contractor in the State of Washington. The Principal is required
 by chapter 18.27 of the Revised Code of Washington (RCW) to furnish a bond in the penal sum of _____ dollars with
 good and sufficient surety. The bond must be conditioned as required by RCW 18.27.040.

If the Principal, in compliance with the provisions of chapter 18.27 RCW, pays all (1) wages and benefits to persons furnishing
 labor to the Principal, (2) amounts that ay be adjudged against the Principal by reason of breach of contract including negligent or
 improper work in the conduct of the contracting business, (3) persons who furnish labor and materials or rent or supply equipment
 to the Principal, and (4) taxes and contributions due to the State of Washington, the obligation of the Principal and the Surety shall
 be null and void. If the Principal does not pay the above claims, the bond shall remain in full force and effect. In no case shall the
 Surety be liable for any claim not included in RCW 18.27.040.

Any person that has a claim against the Principal, arising from the failure of the Principal to pay any of the four items referred to in
 paragraph 3, may bring suit upon this bond in the superior court of the county in which the work was done, or of any county in
 which the court has jurisdiction over the Principal. The suit must be brought within the time and the manner required by RCW
 18.27.040.

The aggregate liability of the Surety under this bond for claims against this bond shall not exceed the penal sum of this bond. No
 extension by continuation certificate, reinstatement, reissue, or renewal of this bond shall increase the liability of the Surety. If the
 claims against the bond that are pending at any one time exceed the remainder of the aggregate liability minus the amounts
 previously paid by the Surety because of other claims against this bond, the claims shall be satisfied in accordance with the
 provisions of RCW 18.27.040.

This bond shall become effective on ____/____/____ and shall be void if not filed with the Contractor's Registration Section
 by ____/____/____ and **shall remain in force continuously** unless the Surety gives written notice to the Director of Labor
 and Industries of its intent to cancel the bond. A cancellation or revocation of the bond or withdrawal of the Surety from the bond
 suspends the registration issued to the registrant until a new bond or reinstatement notice has been filed and approved as provided
 in the statute.
