No. Explain why no statement was prepared

The department has considered whether these proposed rules are subject to the Regulatory Fairness Act and has determined that they do not require a small business economic impact statement because the costs associated with the proposed changes are exempted by law [see RCW 19.85.025 referencing RCW 34.05.310 (4)] from the small business economic impact requirements and/or do not impose a more than minor economic impact on business.

Please explain:

Significant rule-making criteria does not apply to these rule changes because the exempt criteria outlined in RCW 34.05.328(5) was met.
