Purpose: In April 2006, the department filed a proposal to consolidate five metal goods classifications into one classification with three sub codes. Four existing metal goods classifications would have been repealed. Following hearings in May, two firms petitioned the department to withdraw the proposal because of the economic effect on their classification. The department agreed to reconsider the proposal. The department agreed to restore the five metal goods classifications as they previously existed. This rule making is necessary to restore the classifications as they existed January 1, 2006.

EMERGENCY RULE ONLY

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
 That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
