Purpose of the proposal and its anticipated effects, including any changes in existing rules: The rulemaking is a result of Substitute House Bill 2118, which passed the 2007 Legislature. This bill transferred the mobile and manufactured home installation program and the State Administrative Agency (SAA) programs from the Community, Trade, and Economic Development (CTED) to the Department of Labor and Industries (L&I). Therefore, the department needs to adopt new rules to be consistent with the statute.

Reasons supporting proposal: See purpose statement.
