**EMERGENCY RULE ONLY**

Under RCW 34.05.350 the agency for good cause finds:

That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest. HB 1666 declared that this is an emergency, thus requiring immediate action under emergency rule making provisions. Permanent rulemaking effort is currently underway. See WSR 07-17-156

That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: HB 1666 declared that this is an emergency, thus requiring immediate action under emergency rule making provisions.
