

# PREPROPOSAL STATEMENT OF INQUIRY

**CR-101 (June 2004)**  
(Implements RCW 34.05.310)  
Do NOT use for expedited rule making

**Agency:** Department of Labor and Industries

**Subject of possible rule making:** Chapter 296-150M WAC, Manufactured Homes

**Statutes authorizing the agency to adopt rules on this subject:** Chapter 43.22 RCW

**Reasons why rules on this subject may be needed and what they might accomplish:** The purpose of this rulemaking is to amend the manufactured home rules to make sure they are consistent with the statute. The amendments will outline the information needed on the "notice of correction" as outlined in the statute and will continue to correct terminology for consistency between the statute and rules. The Factory Assembled Structures program has already filed an expedited rulemaking package to correct terminology in WAC 296-150M-0815, which amends "notice of infraction" to "notice of correction".

Additionally, the rulemaking will repeal sections of chapter 296-150M WAC that will be moved into the new mobile and manufactured home installation program, chapter 296-150I WAC.

**Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies:**  
None.

**Process for developing new rule (check all that apply):**

- Negotiated rule making
- Pilot rule making
- Agency study
- Other (describe)

Interested parties and the public may also participate by providing written comments or giving oral testimony during the public hearing and comment process.

**How interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication:**
