(Note: This is NOT the effective date)

Purpose of the proposal and its anticipated effects, including any changes in existing rules: The Plumber Certification Program's budget and projected revenue indicate a fee increase is necessary to help cover the cost of ongoing services of the program. The Plumber Certification Program was given the authority by Second Engrossed Substitute House Bill 1087, which passed the 2011 Legislature, to increase fees to cover the program's expenditures. Due to a projected revenue shortfall of \$60,000 for FY 12, the program will need to increase fees 8.6 percent. Therefore, the department needs to increase plumber certification fees above the fiscal growth factor to cover the expenditures.

Reasons supporting proposal: See purpose statement.

Statutory authority for adoption: Chapter 18.106 RCW and 2011 Second Engrossed Substitute House Bill 1087
