**Purpose of the proposal and its anticipated effects, including any changes in existing rules:** The purpose of this rulemaking is to revise the insurance and bond filing requirements for contractors to reflect changes in new technology. Currently, the department is required to maintain a hard copy of the documents; however, the department now has access to the information through an electronic system, which eliminates the need for paper.

The department will also reduce the processing time for insurance and bond documents if they are submitted online. This will allow the program's customer service staff to focus on other needs of the program.
