Purpose of the proposal and its anticipated effects, including any changes in existing rules:

- No changes in requirements as a result of this rulemaking.
- Consistent format for all DOSH safety and health rules.
- Easy to access rules for smart phone and table users.
- Easy navigation in PDF files provided through bookmarks in the rules.
- Easier referencing by replacing bullets and dashes with numbers and letters.
- Enhanced rule update efficiency for customers through electronic postings.

Reasons supporting proposal:

When the agency updated its website, template DOSH rules in HTML were broken and DOSH began forwarding rule users to the Office of the Code Reviser website, causing more confusion among customers. This rule package will resolve stakeholder issues that have caused confusion for rule users by bringing one clear and consistent format to all of our rules.
