Help our drivers make safe deliveries to your company.

An injury in your delivery bay can block the bay—and delay your deliveries.

**Oh, no!**

**Hooray!**

Successful deliveries are safe deliveries!

**Inspect your delivery bay:**

☐ Maintain good lighting.
☐ Remove debris.
☐ De-ice or fill potholes.
☐ Check for appropriate material handling equipment.
☐ Maintain dock plates and doors so they function well.
☐ Other ________________________________

**Thank you for helping keep our drivers safe!**
