APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be all counties in the State of Oregon.

These standards shall also cover Skamania, Clark, Cowlitz, Wahkiakum, Klickitat counties and the southwest portion of Pacific County from a line extending west from the north boundary of

Wahkiakum County to the Pacific Ocean in the State of Washington under the terms and conditions of the reciprocal agreement.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

- Age: Minimum of 18 years of age
- Education:
- Physical: None
- Testing: None
- Other: None

See Section X-6,7 for employment requirements

III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

THE SPONSOR HEREBY ADOPTS:

"The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.
2. The committee will select apprentices from a ranked pool of eligibles according to the following procedure:
 - a. Journey level finishers:
 - 1) A ranked pool of eligibles will be established consisting of:
 - a) Graduates of the MA 1008 Mason Trades Finisher program; and
 - b) Individuals who have documented at least 2,000 hours of previous work

experience in a masonry-related occupation, a minimum of 500 OJT hours with an approved training agent for this standard, and have demonstrated the knowledge, skills, and abilities equivalent to a graduate of the MA 1008 Mason Trades Finisher program

- 2) Journey level finishers wishing to enter this program must notify the committee of their interest in writing. They will be placed in the pool of eligibles and ranked according to the date their notification was received.
 - 3) When an apprenticeship opportunity becomes available, the top individual in the ranked pool will be contacted. If they decline the opportunity, they will retain their place on the list and the next individual will be contacted. Training agents will have first opportunity to indenture current employees.
- b. Open applications:
- 1) When the ranked pool of eligibles established above is too small to adequately address the needs of the program, the committee will establish a separate pool and open for applications from the general public. Placement from this pool will occur only after the pool of eligibles established in item 'a' is exhausted.
 - 2) Application Notice and Schedule
 - a) The committee will establish a reasonable period of at least 2 weeks for accepting applications for admission to the apprenticeship program.
 - b) An opening announcement will be distributed according to the committee's affirmative action plan at least 30 days in advance of the earliest date for application. It will establish the date, time, and place applications will be accepted, list the minimum qualifications for the program, and provide a general description and duties of the occupation. It will also include information on scoring and ranking timelines.
 - 3) Application Process
 - a) Applications will be provided to all interested individuals at locations specified in the opening announcement. Individuals must apply in person and may submit only 1 application during each enrollment period.
 - b) Prior to receiving an application packet, each applicant will sign an Applicant Log that will track applicants to final disposition.
 - c) All applications and supporting documentation must be returned by the deadline specified in the opening announcement; completed applications and supporting documentation will be date stamped when received.
 - d) Each applicant is responsible for keeping the committee informed of his/her current mailing address and telephone number.
 - 4) Verification of Minimum Qualifications
 - a) All applications and supporting documentation will be reviewed for minimum qualifications.
 - 5) Non-Qualified Applicants
 - a) Applicants who do not meet the minimum qualifications will be notified in writing. Notification will include the reason for rejection, the requirements for admission to the eligibility pool, and the appeal rights available to the applicant.
 - b) All appeals must be submitted to the committee in writing.
 - 6) Qualified Pool of Eligibles and Orientation
 - a) Applicants who complete the application process and meet the minimum qualifications will be placed in the Qualified Pool of Eligibles and retained in the pool for a period of 2 years.
 - b) Applicants in the Qualified Pool of Eligibles will be scheduled for an orientation.

Those who do not attend the scheduled orientation will remain in the Qualified Pool of Eligibles for the remainder of their 2-year eligibility, and will be rescheduled for the next available orientation upon receipt of a written request.

- 7) Ranked Pool of Eligibles
 - a) Applicants who attend the orientation will be interviewed, scored, and ranked based upon the attached point system. They will then be placed in the Ranked Pool of Eligibles in rank order and retained in the ranked pool until registered, or for a period of 2 years.
 - b) Individuals may be removed from the Ranked Pool of Eligibles at an earlier date by their request or following their failure to respond to an apprentice job assignment according to Division-approved program policy.
 - c) Applicants still in the Ranked Pool of Eligibles when additional applications are accepted will be placed in the new ranked pool according to their initial score and will be retained in the ranked pool for the remainder of their 2-year eligibility.
- 8) Placement Process
 - a) Applicants will be offered employment based on the order of their rank in the pool of eligibles.
 - b) Training agents will have first opportunity to indenture current employees when they reach the top of the Ranked Pool of Eligibles.

(See ORS 660.137 (6))
6. Upon approval by the Director, the Division will notify all training agents and apprentices of the new wage. (See ORS 660.142 (2))

The average wage for those journey-level workers employed by the participating employers in this occupation on **May 1, 2010** is \$ **29.90** per **hour** .

Period	Number of required hours	% of the journey level rate
1	0 – 1,000	50

When an apprentice is unable to fulfill the total work hours in each work process the committee will evaluate the apprentice's knowledge, skills and abilities and provide appropriate additional related instruction to assure that competency is acquired in each work process. The evaluation and summary of the additional instruction will be noted in the apprentice's file.

IX. RELATED/SUPPLEMENTAL INSTRUCTION:

1. The apprentice must attend related/supplemental instruction for at least 144 hours per year unless otherwise stated in this standard. 2. The Committee must provide for instruction of the apprentice during the related/supplemental instruction in safe and healthful work practices in compliance with the Oregon OSHA regulations and applicable federal and/or state regulations. (See ORS 660.137)
3. In case of failure on the part of any apprentice to fulfill the related instruction obligation, the sponsor has the authority to withhold the apprentice's periodic wage advancement; or with a reasonable opportunity to remedy deficiencies, suspend, or cancel the Apprenticeship Agreement. - 1. Local committee rules or policies and any employment requirement such as driver's license, drug test etc. will be located in this section.
- 2. The committee may include provisions for committee-imposed "disciplinary probation," which is a time assessed when the apprentice's progress is not satisfactory; a "disciplinary probation" may only be used to provide an opportunity for the apprentice to correct

deficiencies and cannot affect the apprentice's appeal rights after the initial probation is completed. (See ORS 660.137 (4))

3. During disciplinary probation the committee may withhold periodic wage advancements, suspend or cancel the apprenticeship agreement, or take other disciplinary action. (See ORS 660.137 (4))
