Improve Your Financial Well-Being with WorkSource Washington

WorkSource Washington offers financial literacy workshops, coaching, and virtual training to help you manage and improve your finances.

Find events by searching the **Workshops and Hiring events** page on [WorkSourceWA.com](https://www.worksourcewa.com). Use the event titles below as keywords to locate sessions near you or online.

Need help? Contact [your local WorkSource Vocational Service Specialist](#) (VSS) for assistance or additional resources.

- **Financial Capabilities Workshops**

This twice-a-week, six-week workshop series empowers you to make informed and smart financial decisions. The series is flexible and customizable – each unit can stand alone or be combined with other units to provide a personalized experience. Units can be taken in any order. (Participants can choose to attend in-person at WorkSource locations throughout the state or online.)

Keyword Search Topics: Your Money, Your Future - Get Empowered to Make Tough Decisions - Earn Extra Money to Improve Your Life - Money and You - Where Does Your Money Go? - Make Changes with Your Money

- **Financial Literacy Virtual Workshop**

This virtual workshop provides a general overview of essential financial topics, including understanding credit, budgeting, debt resolution, retirement planning, and resources for financial consumers.

- **Re-Entry Financial Literacy Workshop**

Designed for individuals re-entering the workforce, this workshop covers personal finance management, including financial concepts, budgeting basics, creating a savings plan, and debt management. (In-Person at WorkSource Rainier Affiliate)

- **Financial Wellness 101 Workshops**

A series of free workshops focusing on budgeting, credit and debt, and consumer cautions. (Participants can choose to attend in-person at WorkSource Thurston County or online.)

- **Financial Coaching Workshop**

This workshop focuses on credit basics, some ways to build or improve credit, and the repercussions of missed payments and collections/garnishments/judgements. (In-Person at WorkSource Pierce/Tacoma)

- **Financial Empowerment Workshops**

The Financial Empowerment Network offers free virtual training workshops throughout the year, geared towards professionals working to enhance the financial well-being of their clients or community members.
