Semi-Annual Rules Development Agenda July 1, 2021 – December 31, 2021

The Department of Labor & Industries' (L&I) prepares a semi-annual rules development agenda in January and July each year to inform the public of expected upcoming rule changes. Pursuant to RCW 34.05.314, the agenda is filed with the Office of the Code Reviser for publication in the Washington State Register. This report details current and anticipated rulemaking activities for L&I. This agenda is for informational purposes and the noted dates of anticipated rulemaking actions are estimates. There may be additional rulemaking activities not anticipated at this time, such as to implement new state laws, meet federal requirements, or other circumstances.

L&I encourages the public to be involved in the rulemaking processes by attending public hearings and submitting comments regarding rules. Rulemaking information is available on the agency website at <https://www.lni.wa.gov/rulemaking-activity/>. Legislation passed during the 2019 and 2018 sessions (Chapter 133, Laws of 2019, House Bill 1913; and Chapter 264, Laws of 2018, Substitute Senate Bill 6214) resulted in updates to RCW 51.32.185.	11/19/19 19-23-081	To be determined	To be determined	Jordan Ely Legal Services 360-902-4616

Title 296 WAC (new chapter possible)	Independent Medical Examinations (IME) - Case Progress (ESSB 6440)	Engrossed Substitute Senate Bill 6440, 2020 legislative session, amended requirements by identifying the reasons IMEs could be used. One requirement, “case progress,” in RCW 51.36.070 is not clearly defined. Rulemaking allows L&I to define the term and/or criteria. Rulemaking may also provide consequences for IMEs that were requested or occurred outside what is allowed by statute or rule.	5/18/21 21-11-086	Anticipate filing 9/21/21	Anticipate filing 11/16/21	Suzy Campbell Legal Services 360-902-5003
Title 296 WAC (new chapter possible)	Independent Medical Examinations (IME) – Appeals (ESSB 6440)	Engrossed Substitute Senate Bill 6440, 2020 legislative session, limited the reasons IMEs could be used. One reason is to resolve an appeal, but there was no indication of when or under what circumstances such an IME would be appropriate. Rulemaking allows L&I to define criteria and/or determine limitations for these IMEs.	8/3/21 21-16-093	Anticipate filing 9/21/21	Anticipate filing 11/16/21	Suzy Campbell Legal Services 360-902-5003

296-17A 296-17B	Covid-19 Related Relief Option	<p>Data shows that the COVID-19 pandemic and resulting government required shutdowns disproportionately impacted employers who reported hours in 42 risk classes, thereby reducing the options to help workers return to work. This may lead to increased claim losses for businesses in the affected classes compared to other employers.</p> <p>For affected Retro participants who experience increased loss ratios, they may be subject to a negative bias resulting in their refunds being reduced or additional premium assessed. Conversely, the less affected Retro participants may experience a positive bias whereby they may receive enhanced refunds that they would not have otherwise received but for the pandemic's adverse impact on their peers.</p>	6/1/21 21-12-082	To be determined	To be determined	Leslie Qunell Retrospective Rating 360-902-5967

Title 296 WAC (new chapter)	Small Employer Emergency Grants (ESHB 1097)	The purpose of this rulemaking is to establish guidance for a safety grant program for small employers based on the type, scope, and time frame of a declared state emergency, and criteria for how grants will be prioritized. Engrossed Substitute House Bill 1097 (Chapter 253, Laws 2021) provides for increased worker protections from hazards in the workplace. The bill also created a safety grant program for small employers during declared states of emergency. This law was motivated by recognition of the COVID-19 pandemic’s impact on small businesses, especially those that had difficulty affording the cost of meeting required safety measures and providing personal protective equipment to workers.	8/3/21 21-16-099	Anticipate filing 10/19/21	Anticipate filing 12/21/21	Tracy West Government Affairs and Policy Division 360-902-6954
