Please complete this form and send it to the Claims Program or the Self Insurance Program. It will enable us to determine if the current medical condition is due to a worsening of a previous injury. A claim **can** only be reopened if there has been an objective worsening of the allowed condition since the date of closure **and** that worsening is not due to an unrelated or preexisting condition or a new injury.

We cannot pay you for services related to the reopening of the claim if you are not participating in the L&I Medical Provider Network. If you are a part of the L&I Medical Provider Network, you will be paid for the office call and diagnostic studies necessary to complete the form. However, payment for any additional services not authorized by the department will depend on our decision on the reopening request. If the claim is reopened, benefits cannot be paid for services provided more than 60 days prior to our receipt of the form. **Answer all questions completely to ensure timely action on this reopening application.** Please mail to the appropriate address on the reverse side. Do not attach a bill to this form.
