# **1.0 INTRODUCTION**

Washington's Department of Labor and Industries (L&I) has responsibility for regulating and verifying wages paid on all public works projects in the state. In recent years, L&I has set up online tools to document and verify public works project wages. The Interest Party Portal is now also available to enable workers and those who represent them (interested parties) to verify prevailing wage compliance. The following step-by-step instructions will help guide you through the system so you can search for certified contractor payrolls and 4/10 agreements associated with the current (and recent) public works projects in Washington State. We hope the portal proves valuable and easy-to-use.

#### FEEDBACK

Please let us know how the system and/or these instructions work for you by completing a two-minute survey. Your feedback is greatly appreciated and will help us improve the portal.

#### ASSISTANCE

Please contact the Prevailing Wage Program at PW1@Lni.wa.gov or 360.902.5335 if assistance is needed with accessing or using the portal.

#### **1.1 NAVIGATING THESE INSTRUCTIONS**

We have created three different ways for you to quickly and easily find instructions on a particular system feature:

1. Select a feature/topic within the Table of Contents on the previous page to navigate to that section.

2. Use Bookmarks to navigate to different sections.

A. If you are viewing these instructions on our website, move your mouse to the top right-hand corner of the page and a black bar will appear.

Select the flag and then the topic/feature you wish to learn more about.

B. If you saved these instructions to your computer, select the panel on the right-hand side. Select the flag and then the topic/feature you wish to learn more about.

3. Press CTRL+F to open a dialog box to search this guide. Type in the feature/topic you wish to learn about and then either press ENTER or select the Previous, Next, or arrows within the dialog box to navigate through the results.

Also, you can select underlined text in light blue to go to that section of this guide.

#### 1.2 OVERVIEW OF PREVAILING WAGE ONLINE TOOLS FOR INTERESTED PARTIES

In recent years, L&I's Prevailing Wage program has set up online tools to document and verify public works project wages. With these tools the parties involved in a public works project are able to post and review information about the projects as well as the wages paid on them. Those tools include:

- Awarding Agencies Portal used to enter contract information about WA public works projects
- **Contractors/Employers Portal** used to enter information about the intent to pay prevailing wages on a public works contract, along with the payroll records and 4/10 agreements.
- Interested Party Portal [NEW] enables interested parties (i.e., workers and those who represent them) to search for and download certified contractor payrolls and 4/10 agreements, as well as other project and contractor information associated with Washington public works projects.
- **Public Prevailing Wage Intents and Affidavits forms look up** allows anyone to navigate from the public L&I site to search the public database and view the filing contractors' intents and affidavits for all Washington State public works projects.

These online tools contain information about Washington State public works projects for the previous seven (7) years (following the WA retention schedule). Contractor payroll records are kept for six (6) years after the last affidavit is filed.

#### 1.3 ACCESSING THE PREVAILING WAGE INTERESTED PARTIES PORTAL

All government agencies must be transparent when building public works projects, such as school, roads, and other facilities. To assist with this transparency, the Prevailing Wage program has created a resource for interested parties to view the filing contractors' intents and affidavits, as well as certified payrolls and 4/10 agreements for all public works projects.

To access the Prevailing Wage Interested Parties Portal you'll first need to request access, and then get established in MyL&I:

1) Request access by filing out the **Application for Access to Interested Party Portal** form (F700-234-000) and emailing it to L&I's Prevailing Wage Team at <u>PW1@Lni.wa.gov</u>

2) Once your request is processed, you'll receive an email like the one below. Follow the instructions in the email in the order listed. Note the "Secret Code" and "Interested Party ID." You'll need to use those as part of your account set-up in MyL&I.

3) Select the MyL&I link or go to https://secure.lni.wa.gov/home/

[NOTE: the following steps match the directions in the email you received.]

4) Select on "Sign Up".
