HONEYWELL MACHINIST APPRENTICESHIP PROGRAM

INTRODUCTION

This document is an apprenticeship program standard. Apprenticeship program standards govern how an apprenticeship works and have specific requirements. This document will explain the requirements.

The director of the Department of Labor and Industries (L&I) appoints the Washington State Apprenticeship and Training Council (WSATC) to regulate apprenticeship program standards. The director appoints and deputizes an assistant director to be known as the supervisor of apprenticeship who oversees administrative functions through the apprenticeship section at the department.

The WSATC is the sole regulatory body for apprenticeship standards in Washington. It approves, administers, and enforces apprenticeship standards, and recognizes apprentices when either registered with L&I's apprenticeship section, or under the terms and conditions of a reciprocal agreement. WSATC also must approve any changes to apprenticeship program standards.

Apprenticeship programs have sponsors. A sponsor operates an apprenticeship program and declares their purpose and policy herein to establish an organized system of registered apprenticeship education and training. The sponsor recognizes WSATC authority to regulate and will submit a revision request to the WSATC when making changes to an apprenticeship program standard.

Apprenticeships are governed by federal law (29 U.S.C 50), federal regulations (29 CFR Part 29 & 30), state law (49.04 RCW) and administrative rules (WAC 296-05). These standards conform to all of the above and are read together with federal and state laws and rules

Standards are changed with WSATC approval. Changes are binding on apprentices, sponsors, training agents, and anyone else working under an agreement governed by the standards. Sponsors may have to maintain additional information as supplemental to these standards. When a standard is changed, sponsors are required to notify apprentices and training agents. If changes in federal or state law make any part of these standards illegal, the remaining parts are still valid and remain in force. Only the part made illegal by changes in law is invalid. L&I and the WSATC may cooperate to make corrections to the standards if necessary to administer the standards.

Sections of these standards identified as bold **"insert text"** fields are specific to the individual program standards and may be modified by a sponsor submitting a revised standard for approval by the WSATC. All other sections of these standards are boilerplate and may only be modified by the WSATC. See WAC 296-05-003 for the definitions necessary for use with these standards.

Sponsor Introductory Statement (Required):

HONEYWELL MACHINIST APPRENTICESHIP PROGRAM

The following Standards for the development of machinist apprentices have been prepared by the Honeywell Machinist Apprenticeship Plant Program, assisted by the Washington State Department of Labor and Industries, Division of Apprenticeship and Training.

I. GEOGRAPHIC AREA COVERED:

The sponsor must train inside the area covered by these standards. If the sponsor wants to train outside the area covered by these standards, the sponsor must enter a portability agreement with a sponsor outside the area, and provide evidence of such an agreement for compliance purposes. Portability agreements permit training agents to use apprentices outside the area covered by the standards. Portability agreements are governed by WAC 296-05-303(4)(g).

**East 15128 Euclid Avenue
Spokane, Washington 99216**

This includes any other location pertaining to Honeywell electronics Materials contracts within Spokane County, Washington.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner [WAC 296-05-316(17)].

Age: **A minimum 18 years of age.**

Education: **High School graduate or the equivalent.**

Physical: **Able to meet the requirements of the trade.**

Testing: **N/A**

Other: **Must be a Honeywell employee with at least one year of service.**

Exceptions may be made by the Apprenticeship Committee to the above qualifications if admission as an apprentice will benefit the applicants and the industry. The amount of credit given for previous work experience shall be determined by the Apprenticeship Committee after a careful review of the merits of each case.

III. CONDUCT OF PROGRAM UNDER WASHINGTON EQUAL EMPLOYMENT OPPORTUNITY PLAN:

HONEYWELL MACHINIST APPRENTICESHIP PROGRAM

Sponsors with five (5) or more apprentices must adopt an Equal Employment Opportunity (EEO) Plan and Selection Procedure (Part D of chapter 296-05 WAC and 29 CFR Part 30).

The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, creed, national origin, age, sexual orientation, marital status, veteran or military status, the presence of a disability or any other characteristic protected by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Washington State Apprenticeship and Training Council.

A. Selection Procedures:

1. **The Honeywell Machinist Apprenticeship Plant Program is not in any way serving as a referral agency and persons desiring apprenticeship training under the Honeywell Machinist Apprenticeship Plant Program shall make application to and appear before the Apprenticeship Committee to be interviewed. At the time of the interview, the applicant shall be informed of the obligation to abide by the Standards established for the trade. Upon acceptance of the applicant, the Apprenticeship Committee shall make an evaluation based on the employer's recommendation and place him/her in the proper work experience and wage progression period and register the applicant with the Registration Agency. Honeywell will sign compliance form agreeing to be bound by the Affirmative Action plan contained in these Standards as approved by the Registration Agency.**
2. **Applications for apprenticeship are available at E 15128 Euclid Avenue, Spokane, Washington 99216, at the Human Resources Department on Monday through Friday, 8am - 5pm.**
3. **The applicant will be instructed to request transcripts of all school records and grades, which will be forwarded to the Apprenticeship Committee secretary.**
4. **The applicant will be instructed to attend the regular meeting of the Honeywell Machinist Apprenticeship Plant Program in which the applicant is to be registered. The purpose of the applicant's attendance is to explain the apprenticeship program and the responsibility the apprentice must fulfill during the term of apprenticeship.**

B. Equal Employment Opportunity Plan:

1. **Cooperation with local school boards and vocational education systems to develop programs for preparing students to meet the Standards and criteria required to qualify for entry into apprenticeship program.**

HONEYWELL MACHINIST APPRENTICESHIP PROGRAM

2. **Internal communication of the Sponsor's equal opportunity policy in such a manner as to foster understanding, acceptance, and support among the Sponsor's members to encourage such persons to take the necessary action to aid the Sponsor in meeting its obligation under these rules.**
3. **To encourage the establishment, updating, and utilization of programs and preparatory trade training designed to prepare candidates for apprenticeship, a Sponsor shall make appropriate provision in its affirmative action plan to assure that those who complete such programs are afforded full and equal opportunity for admission into the apprenticeship program.**
4. **Granting advance standing or credit on the basis of previously acquired experience, training, or skills for all applicants equally.**

C. Discrimination Complaints:

Any apprentice or applicant for apprenticeship who believes they have been discriminated against may file a complaint with the supervisor of apprenticeship (WAC 296-05-443).

IV. TERM OF APPRENTICESHIP:

The term of apprenticeship for an individual apprentice may be measured through the completion of the industry standard for on-the-job learning (at least two thousand hours) (time-based approach), the attainment of competency (competency-based approach), or a blend of the time-based and competency-based approaches (hybrid approach) [WAC 296-05-315].

The term of apprenticeship for a machinist apprentice shall be four (4) years or 8,000 hours of reasonably continuous employment in the principal operation of the trade.

V. INITIAL PROBATIONARY PERIOD:

An initial probationary period applies to all apprentices, unless the apprentice has transferred from another program. During an initial probationary period, an apprentice can be discharged without appeal rights. An initial probationary period is stated in hours or competency steps of employment. The initial probationary period is not reduced by advanced credit or standing. During an initial probationary period, apprentices receive full credit for hours and competency steps toward completion of their apprenticeship. Transferred apprentices are not subject to additional initial probationary periods [WAC 296-05-003].

The initial probationary period is [WAC 296-05-316(22)]:

HONEYWELL MACHINIST APPRENTICESHIP PROGRAM

- A. the period following the apprentice's registration into the program. An initial probationary period must not be longer than twenty percent of the term of the entire apprenticeship, or longer than a year from the date the apprenticeship is registered. The WSATC can grant exemptions for longer initial probationary periods if required by law.
- B. the period in which the WSATC or the supervisor of apprenticeship may terminate an apprenticeship agreement at the written request by any affected party. The sponsor or the apprentice may terminate the agreement without a hearing or stated cause. An appeal process is not available to apprentices in their initial probationary period.

All apprentices employed in accordance with these Standards shall be subject to a probationary period not to exceed the first 1,000 hours of employment during the term of the apprenticeship, with an initial review at 500 hours.

VI. RATIO OF APPRENTICES TO JOURNEY LEVEL WORKERS

Supervision is the necessary education, assistance, and control provided by a journey-level employee on the same job site at least seventy-five percent of each working day, unless otherwise approved by the WSATC. Sponsors ensure apprentices are supervised by competent, qualified journey-level employees. Journey level-employees are responsible for the work apprentices perform, in order to promote the safety, health, and education of the apprentice.

- A. The journey-level employee must be of the same apprenticeable occupation as the apprentice they are supervising unless otherwise allowed by the Revised Code of Washington (RCW) or the Washington Administrative Code (WAC) and approved by the WSATC.
- B. The numeric ratio of apprentices to journey-level employees may not exceed one apprentice per journey-level worker [WAC 296-05-316(5)].
- C. Apprentices will work the same hours as journey-level workers, except when such hours may interfere with related/supplemental instruction.
- D. Any variance to the rules and/or policies stated in this section must be approved by the WSATC.
- E. The ratio must be described in a specific and clear manner, as to the application in terms of job site, work group, department or plant:

The policy in this trade shall be used in computing the ratio: One (1) apprentice machinist to one (1) journey-level machinist on the job site.

VII. APPRENTICE WAGES AND WAGE PROGRESSION:

HONEYWELL MACHINIST APPRENTICESHIP PROGRAM

- A. Apprentices must be paid at least Washington's minimum wage, unless a local ordinance or a collective bargaining agreement require a higher wage. Apprentices must be paid according to a progressively increasing wage scale. The wage scale for apprentices is based on the specified journey-level wage for their occupation. Wage increases are based on hours worked or competencies attained. The sponsor determines wage increases. Sponsors must submit the journey-level wage at least annually or whenever changed to the department as an addendum to these standards. Journey-level wage reports may be submitted on a form provided by the department. Apprentices and others should contact the sponsor or the Department for the most recent Journey-level wage rate.
- B. Sponsors can grant advanced standing, and grant a wage increase, when apprentices demonstrate abilities and mastery of their occupation. When advanced standing is granted, the sponsor notifies the employer/training agent of the wage increase the apprenticeship program standard requires.
