Attach additional sheets if necessary

III. CONDUCT OF PROGRAM UNDER WASHINGTON EQUAL EMPLOYMENT OPPORTUNITY PLAN:

A. Selection Procedures:

1. Application Notice and Schedule:

~~b. Individuals may apply online 24 hours a day during the months specified above, via the LU112-NECA JATC's website at www.jatc112.org. An application fee is required for all applications.~~

b. Applicants must create an account online through TradeSchool© that shall be verified by the JATC. A link may be found at www.jatc112.org. Accounts will only be verified and approved during the JATC's business hours of 8:00 am-5:00 pm, Monday through Friday. Accounts created after 5:00 pm on the last business day of the month in which applications are being accepted, will not be verified or approved.

c. Once the account has been verified and approved, applicants may access their application online 24 hours a day during the months specified above, via the LU112-NECA JATC's website at www.jatc112.org. An application fee is required for all applications.

2. Application Process:

c. Applicants must provide a copy of their valid driver license at the time the application is submitted. All required documentation must be submitted to the LU112-NECA JATC within 30 days of receiving notification that their application payment for the application fee. Once the account has been approved by the JATC through TradeSchool©, application fees must be paid by 5:00 pm on the last business day of the month. Failure to do so will render the applicants disqualified unless hardship can be shown.

13. Individuals who can verify that they have been enrolled in an IBEW-NECA like-in-kind program meeting the minimum requirements established by the JATC; based on a JATC experience evaluation may qualify for direct entry as determined by the JATC and available apprenticeship opportunities. The JATC, using standard means of evaluation (see Section X), will determine the appropriate period of apprenticeship based on previous work experience and related training. To qualify under this provision:

VI. RATIO OF APPRENTICES TO JOURNEY LEVEL WORKERS

E. The ratio must be described in a specific and clear manner, as to the application in terms of job site, work group, department or plant:

Inside Wireman Apprentice

The overall ratio is 2 1 apprentices for every 3 1 journey-level workers ~~or fraction thereof~~. This ratio can be used on each job, contract or shop in conformance with the Collective Bargaining Agreement.

X. ADMINISTRATIVE/DISCIPLINARY PROCEDURES:

3. Sponsor Procedures:
