Dear Stephanie,

I am writing to request that the Washington Public School Classified Employees JATC program be fully cancelled.

This program has been operational since 1987 providing opportunities for classified employees to improve and have access to education. Our whole team is very proud of the program and the work that was accomplished. Due to unforeseen circumstances, changes in paraeducator hiring requirements, changes what PESB and OSPI require, this JATC no longer fits the needs of classified employees as a whole.

The JATC team and the apprentices thank you for your partnership and collaboration. Please don't hesitate to reach out if you have any questions.

Sincerely,

Nicki Lenssen
JATC Chairperson
