1:00 – 3:00 PM

### Notes

Members: April Sims (Chair), Mark Riker, Dave D'Hondt, Halene Sigmund, Mark Beaufait, Jeremy Clevenger, Scott Middleton

Approximately 96 people, including subcommittee members, were on the call.

#### Subcommittee Deliberations:

##### *Sustainability*

Review of reworked draft definition of Sustainability; remanded to the Dept. for further clarification.

##### *Platform Structures*

- Discussion of platform member appointments: who suggests, who appoints.
- Discussion of platform members' term length.
- Discussion of platform committee size.
- Discussion of whether to stick to platforms enumerated in SB 5600, and on how many platforms need to be stood up.

Review of data regarding how existing active apprenticeship programs fit within industry and sector platforms enumerated in SB 5600. Request for the Department to gather further data on those programs that do not fit within those platforms.

#### Stakeholder Feedback on Impacts and Unintended Consequences:

- Discussion of federally registered programs:  
Do they get to participate in the platforms?

Request for the Department to present data during the next subcommittee meeting on existing WSATC reciprocally recognized federal programs.
