Subject of possible rule making: Amendments for consideration to the Factory Assembled Structures (FAS) rules under Chapter 296-150C WAC, Commercial Coaches; Chapter 296-150F WAC, Factory-built housing and commercial structures; Chapter 296-150P WAC, Recreational park trailers; Chapter 296-150R WAC, Recreational vehicles; and Chapter 296-150V WAC, Conversion vendor units and medical units

Statutes authorizing the agency to adopt rules on this subject: Chapter 43.22 RCW

Reasons why rules on this subject may be needed and what they might accomplish: L&I is considering amendments to the FAS rules for design plan reviews by licensed professional engineers, architects, and firms for commercial coach trailers, factory-built housing and commercial structures, recreational park trailers, recreational vehicles, and conversion vendor units (food trucks and trailers). L&I has adopted emergency rules to clarify the procedures for review and approval of design plans for commercial coaches and factory-built and commercial structures by licensed professional engineers, architects, or firms under chapters 296-150C and 296-150F WAC. The emergency rule also allows those professionals to review and approve design plans for conversion vendor units, recreational vehicles (RV), and park model RV's under chapters 296-150P, 296-150R, and 296-150V WAC. This rulemaking considers the adoption of permanent rules. L&I will be soliciting input from stakeholders in development of the permanent rules.
