Statutes authorizing the agency to adopt rules on this subject: Chapter 70.87 RCW

Reasons why rules on this subject may be needed and what they might accomplish: The purpose of this rulemaking is to consider corrections to the elevator fees under chapter 296-96 WAC. On October 18, 2022, L&I adopted an 8.5 percent increase to all elevator fees effective January 1, 2023, and January 1, 2024 (WSR 22-21-118). The fee increase was needed to support funding for a new Conveyance Management System. As a result of a typographical error, some of the fee implementation dates were incorrect. The fees affected include permits, inspections, and other services for conveyances. This rulemaking considers amendments to make corrections and for general housekeeping.
