296-23	Acupuncture	The purpose of this rulemaking is to consider amending WAC 296-23-238, which limits payment to a maximum of ten visits based on L&I’s review of safety and efficacy data for a low back condition. L&I is considering amending this section in order to have some flexibility to pay for a different number of visits for other conditions when acupuncture has been shown to be safe and effective for that condition per L&I review. The maximum number of visits could be taken out of rule and, instead, specified in the medical coverage decision for each condition.	8/20/24 24-17-126	To be determined	To be determined	Jami Lifka Office of the Medical Director 360-902-4941 Jami.Lifka@Ln i.wa.gov

This rulemaking will update the definition of attending providers and add psychologists in the case of claims solely for mental health conditions, and physician assistants, to the list of attending providers. Amendments to several chapters are necessary to be consistent with HB 1197. L&I is also proposing to amend WAC 296-20-01501 to align language with Engrossed Substitute House Bill 2041 (chapter 62, Laws of 2024), and the Department of Health/Washington Medical Commissions’ corresponding rule updates to chapter 246-918 WAC.	9/17/24 24-19-073	1/21/25 25-03-115	Anticipate filing 5/20/25	Jami Lifka Office of the Medical Director 360-902-4941 Jami.Lifka@L ni.wa.gov
