Effective date of rule:

Permanent Rules

- 31 days after filing.
- Other (specify) _____ (If less than 31 days after filing, a specific finding under RCW 34.05.380(3) is required and should be stated below)

Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?

- Yes No If Yes, explain:

Purpose: eRules Phase 6: Chapter 296-305 WAC Safety Standards for Firefighters; Chapter 296-800 WAC Safety and Health Core Rules; Chapter 296-802 WAC Employee Medical and Exposure Records; Chapter 296-833 WAC Temporary Housing for Workers; Chapter 296-843 WAC Hazardous Waste Operations; Chapter 296-848 WAC Arsenic; Chapter 296-849 WAC Benzene; Chapter 296-855 WAC Ethylene Oxide; Chapter 296-856 WAC Formaldehyde.

The purpose of adopting this rulemaking is to have a consistent format across all Department of Occupational Safety and Health (DOSH) rules. The updated format will provide easy access to rules from smart phones and tablet users. It will also provide easy navigation in PDF documents, as well as easier referencing by replacing bullets and dashes with numbers and letters. No rule requirements were changed as a result of this rulemaking adoption. References, formatting and minor housekeeping changes were made throughout the chapter in this rulemaking. See below for a list of changes being adopted as proposed:

- No changes in requirements as a result of this rulemaking.
- Consistent format for all DOSH safety and health rules.
- Easy to access rules for smart phone and table users.
- Easy navigation in PDF files provided through bookmarks in the rules.
- Easier referencing by replacing bullets and dashes with numbers and letters.
- Enhanced rule update efficiency for customers through electronic postings.
- “Housekeeping” corrections such as correcting dead links and obsolete references.
- Applying “plain talk” principles such as changing passive language to active for better clarity.
- Definitions sections moved to the beginning of several chapters, requiring the repeal of old sections and creation of new sections.
