Purpose: The purpose of this rulemaking is to increase fees by 4.0 percent (rounded down to the nearest tenth of a dollar) for the Contractor Registration, Elevator, and Factory Assembled Structures (FAS) programs. This is the Office of Financial Management's maximum allowable fiscal growth factor rate for fiscal year 2019. The Department evaluated each program's budget and projected revenue, and determined these fee increases to be necessary in order to support increased operating expenses for required inspections and other public safety activities.
