WAC 296-17A-6303 Classification 6303.

Sales personnel with outside duties, messengers, insurance producers or surplus line brokers, social workers and dieticians employed by a home health care service

Although referenced as sales personnel, this classification also applies to others with similar type activities. While some duties may be performed in a business office, the work is often conducted away from the employer's physical business location or in showrooms. We refer to work that takes place away from the employer's premises as "outside sales."

Classification **6303** is a standard exception classification, as described in WAC 296-17-31018 Exception classifications, with restrictions on both the type of work and where the work can take place. If any of a worker's duties are excluded from **6303** because of restrictions described in this rule, then none of the worker's hours may be reported in classification **6303**.

Special note: Care must be taken to:

- Look beyond job titles such as salesperson, social worker, or messenger. Job titles do not ensure the work satisfies the restrictions for classification **6303**;
- Ensure standard exceptions are permitted - Some basic classifications include sales work;
- Ensure workers assigned classification **6303** perform no work other than what is allowed by this classification or that permitted in WAC 296-17-4904.

Classification **6303** includes all activities allowed by WAC 296-17A-4904 (office workers) as well as:

- Meeting with customers off premises;
- Showing and demonstrating products and merchandise;
- Off-site classroom instructional training;
- Driving oneself or being transported to or from meeting or training locations;
- Delivering interoffice mail, correspondence and legal documents necessary for administering the employer's business;

• Employees of messenger services who are reported separately in **1101-09;**

• Employees working for a legal messenger service who are reported separately in **6601-07;**

• Construction estimators, who are reported in classification **4911**, when their work is limited to time and material estimating for a full work shift.

Special note: Hands on training outside of a classroom setting has to be reported separately in the applicable basic classification. For example, a karate instructor is reported in classification 6204, not 6303.

For administrative purposes, classification **6303** is divided into the following subclassifications:

These agencies provide care for the elderly, or individuals who need the continuous care and supervision that hospitals and nursing facilities provide, or people living with disabilities. Duties in this classification include teaching people with physical or developmental disabilities in their own homes to manage daily living skills to care for themselves, and assessing clients to determine level of care needed.

These sales are an integral part of the manufacturing/marketing process and is an inclusion in the manufacturing classification. Establishments that buy goods, such as clothing or cloth goods, in wholesale quantities, then screen print or embroider them for resale are performing manufacturing operations and are to be reported separately in the appropriate manufacturing classification.

Warehouse operations in classification 2102, with the exception of grocery dealers, do not own the product they are warehousing and are not in the business of selling the goods they store. (3) **How does cancellation work?** You may cancel your optional owner/officer coverage or elective coverage for exempt employments by notifying the department in writing. For sole proprietors (~~and~~), partners, and LLC partnership model, we will cancel your coverage either the same day we receive your written notice to cancel or on the future date you indicate. For corporations, LLC(~~s~~) corporate model, or elective coverage for exempt employment, we will cancel the coverage thirty days from the date we receive your written request to cancel.

The department may cancel optional coverage if any required payments have not been made. Cancellation will become effective no later

than thirty days from the date of the cancellation notice the department sent to the employer.

When your account balance is paid, if you want to reestablish owner/officer coverage, you must **submit a new application** for owner/optional coverage.
