

HAZARDOUS DRUGS ADVISORY COMMITTEE AGENDA & MINUTES

9:00 AM – 12:00 PM | LNI HEADQUARTERS/ ROOM N247 | MAY 1, 2019 (WEDNESDAY)

7232 LINDERSON WAY SW, TUMWATER, WA -OR- [WEB EX \(LINK\)](#)

COMMITTEE PURPOSE

The purpose of the Hazardous Drug Advisory Committee is to discuss new recommendations from the National Institute of Occupational Health and Safety (NIOSH); scientific and technological developments; and other unanticipated issues related to implementation of the hazardous drug handling rule.

The Advisory Committee may provide recommendations to the Washington State Department of Labor and Industries (L&I) Division of Occupational Safety and Health (DOSH) regarding appropriate actions. Any recommendations are advisory only. The committee may establish subcommittees and taskforces to address specific issues.

ACTION ITEMS: WHAT AND WHO

DOSH will review the suggested publications related to hazardous drugs to be posted on the SHIP website as well as the Hazardous Drugs Advisory Committee web page.

DOSH will keep the Hazardous Drugs Online Training Course up with final feedback due May 31st. Will send another message regarding the review and feedback thereof.

DOSH will look at existing resources to see if there are opportunities to support and clarify USP 800 and alignment with the Hazardous Drugs rule.

DOSH will send out next meeting's agenda requesting topics and soliciting suggestions around August. And please send DOSH any challenges or concerns you may have experienced during the webinar or using the WebEx tool. We are going to move in this direction of using the WebEx tool for all future meetings, unless we hear otherwise.

NOTES / MINUTES

1. No change to DOSH's rule making, interpretation or compliance on Hazardous Drugs. DOSH remains in a passive state as no business/employer or employee complaints have arisen that require change or review.

2. Only three citations relative to hazardous drugs since the last meeting; one issues from a veteranairian clinic and two at long term care faciiliites.

3. Additional feedback regarding the Hazardous Drugs Online Training Course was provided by the committee. Will close feedback at the end of May or May 31st and resend the link out via the list.

4. Question and clarification on USP 800 and alignment with Hazardous Drugs rule on exhausting; if in compliance with USP 800, then you are in compliance with Hazardous Drugs rule.

5. N/A

6. N/A

7. Discussion on future meetings with webinar tool.
