COVID-19 workers’ compensation claims

- **Allowed**: 15,533 (88%)
- **Pending**: 336 (2%)
- **Rejected**: 1,848 (10%)

**Important notes:**
The consultations and inspections above involved a COVID-19 safety complaint or resulted in a COVID-19 safety violation. However, all consultations and inspections by L&I’s Division of Occupational Safety and Health (DOSH) review compliance with COVID-19-related health and safety regulations. Since March 2020, DOSH has completed 10,081 on-site inspections and 4,102 consultations. Previous versions of this report included additional Mask & Safe Start enforcement counts; between 6/1/2020 and 6/30/2021, 13,146 COVID-19-related spot checks were conducted, and 3,370 warning letters were issued.

**Helping Workers Heal & Return to Work**
